

NOTE!

AVAILABLE COLORS & TEXTURES

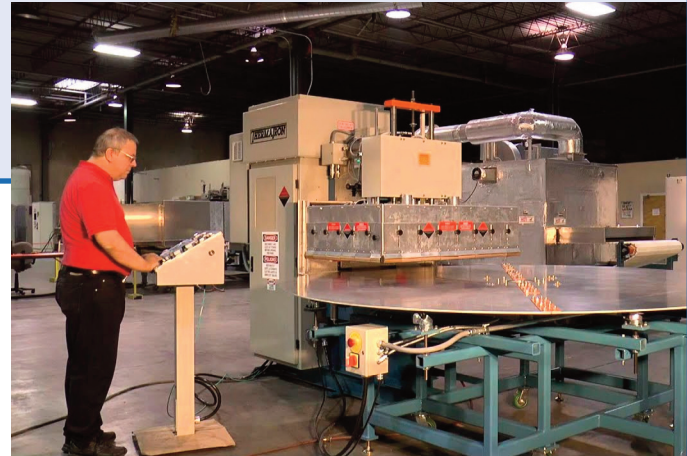

Being that ROYAL is a prime manufacturer (meaning we make all of our own items in our own factories).

We have the ability to make the item you are looking at in any of our stock vinyls shown on this sheet. Minimum quantities and upcharges vary by item with some item having no upcharge and others have some costs.

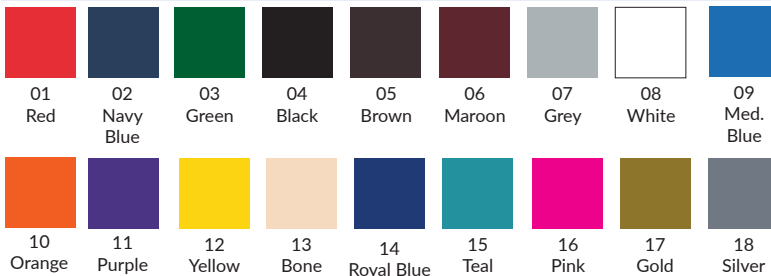

In all cases special color orders are subject to all overruns as we only stock the item in our listed stock colors.

Contact your sales representatives for more details.

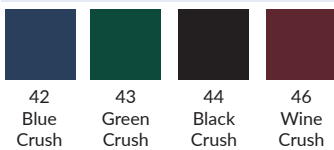

Note: Please note that we have tried to represent the actual colors to the best of our ability. However due to paper printing variance colors might not be a 100% accurate. If you need a very specific color or shade, we recommend you ask for an actual color swatch.
